

COPY OBSCURE

As you know ... everything can be copied. COPY OBSCURE is unique in that when copied, a special embedded hidden message will appear on the photocopy. When standard size text (12pt or smaller) is printed in light gray on the original, this hidden message will obscure the text on the photocopy.

COPY OBSCURE is 60# Security Paper with Ink and Toner Erasure Protection

IMPORTANT
SPECIAL USAGE INSTRUCTIONS:

COPY OBSCURE will camouflage standard size text (12pt or smaller), only when text and images are printed in a light gray color.

When using a "Word Processor Program" to prepare text,

- (1) **HIGHLIGHT** the TEXT
- (2) Click on **FORMAT**
- (3) Select **FONT SIZE 12 or smaller**
- (4) Click on **FONT**
- (5) Click on **FONT COLOR**
- (6) Choose **GRAY-25%**
- (7) Click **OK**

Recommended for Booklets, Manuals, Financial Reports and all Confidential Documents

The COPY OBSCURE *hidden message* will appear when using most black & white or color copiers.
